DETAILED ACTION

Allowable Subject Matter

1. Claims 1-21 are allowed.
2. The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103. Specifically, in reference to independent claim 1, none of the prior art either alone or in combination disclose or teach of the claimed electrophoretic display specifically including, as the distinguishing feature(s) in combination with the other limitations the claimed "select electrodes for generating in the reservoir volume a select electric field for separating the particles in different sub-volumes in the reservoir volume, and at least one fill electrode for generating a fill electric field (FF) to move the particles from the sub-volumes into the image volume, wherein an outer perimeter of the pixel is non-uniform."
3. Specifically, in reference to independent claim 8, none of the prior art either alone or in combination disclose or teach of the claimed electrophoretic display specifically including, as the distinguishing feature(s) in combination with the other limitations the claimed "further fill electrode is positioned in the second direction within the image volume but at less than the maximal distance from the reservoir volume."
4. Specifically, in reference to independent claim 20, none of the prior art either alone or in combination disclose or teach of the claimed electrophoretic display specifically including, as the distinguishing feature(s) in combination with the other limitations the claimed "generating in the reservoir volume a select electric field for separating the particles in different sub-volumes in the

reservoir volume, and generating a fill electric field to move the particles from the sub-volumes into the image volume, wherein an outer perimeter of the pixel is non-uniform.”

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
